

# Gray Matters Seminar— Portfolio in Complex Systems

Organized by: Drs. Semwal, Sackett, Kuzma Oct 19, 2018, 2-4:30pm

---

The Honors Program hosted a special seminar on Portfolio in Complex Systems for all the Honors Students, on Friday 19<sup>th</sup>, in the Academic Building at UCCS. Dr. Sudhanshu Semwal started the seminar by introducing his vision for the Portfolio program and discussed a variety of topics like MeeToo Movement, DACA, Bullying, Mental Health, PTSD, Transhumanism and a lot more.

Matthew Jabaily, UCCS Kramer Library at UCCS provided a presentation on how to search for information in the library and resources available at the UCCS Kraemer Library.

After the presentation the students were grouped in three groups where Drs. Semwal, Sackett, Kuzma took on each group's questions and discussed about ID 4950 Syllabus. Portfolio will provide students an opportunity to synthesize everything they have done including engagement, volunteering etc.

The seminar ended with Pizza and drinks served.
